

## Unpaid Fall Internships

Wonderful six-week opportunity for currently enrolled student to learn about the housing industry, including neighborhood development and revitalization, outreach, community engagement, and construction, while honing organizational and people skills. You will learn how Habitat for Humanity of Greater Greensboro serves the community and helps give families a place to call home. Come and grow your skills with us.

Send resume and a short synopsis of what you hope to gain from this internship to [scressman@hhgg.org](mailto:scressman@hhgg.org).
