

Mission: Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Vision: A world where everyone has a decent place to live.

By 2026, Habitat leads a collaboration that serves low income families across the continuum of affordable housing and ensures successful neighborhoods in strategically targeted areas in Greensboro.

Habitat maintains healthy, ongoing relationships with its families

Habitat takes a leadership role in bringing non-profit and government partners together in a collaborative housing model

Habitat and its partners increase the supply of quality, affordable housing and actively supports successful neighborhoods in Greensboro and across the world

Habitat secures and stewards the resources required to support the mission of the organization
